

① you mentioned all the medication was self pay cost numbers, right? and did you factor in any insurance that would pay a portion of this cost?

We are required to have  
some form of health insurance  
in this country. Is insurance  
or medicare taken into  
consideration when considering  
the medical's RX costs?

- ① Could the previous shoulder injury in 2015 that affected the brachial plexus, play a part in this injury being worse than the prior injury to the same brachial plexus?
- ② How can you tell if the compression of the brachial plexus was pressing on the nerve while he was in Utah?
- ③ Could the compression have taken place after he got home?
- ④ Could, during the time it took to drive to TX, the blood that was accumulating cause blood clots that may have started the compression?

1 - ~~How~~ Have you referred Mr. Hinson to a physical therapist, or is there any activity you are aware of that would appreciably improve his condition, specifically weakness? Or is the weakness specifically the result of permanent damage? Or Marfan's?

Read 1-19-24

Was the first shoulder injury  
in 2015? And did it affect  
the nerve in question? As  
well?

~~1- How did Dr. Wainwright determine Mr. Hinson's level of abilities before July 4, 2015, and whether they may have been impacted by Marfan's or previous rotator-cuff injury?  
Just verbal?~~

2- Do car maintenance costs include parts or just services?
